The lovely garden that surrounds the house is partly shaded by a porch, , perfect for a drink at the sunset or 'al fresco' dinners. The garden is equipped with wickerwork sofas and armchairs, as well as with a table and chairs. In the outdoor area there is also a very large terrace with tables, chairs, sun umbrellas and deck chairs. From the terrace guests will enjoy an enchanting view of the garden and, partially, of the sea .

The Villa is air conditioned throughout and heated in winter.
